Non-Member price

\$545.00 per person.

Breakfast, Lunch and Beverages will be provided!

**Class is held at
Santiago's Event Center
617 5th St.
Ft Lupton, CO 80621**

OSHA's 29 CFR 1910.120 standard indicates that workers exposed to hazardous substances are required to attend 40 hours of safety training. This course examines proper health and safety procedures and personal protection during work operations at hazardous waste sites.

Topics covered include:

- Hazardous identification and control
- Safety planning
- Site control
- Personal protective equipment
- Site monitoring
- Emergency and incident response operations
- Decontamination processes

****At least one employee from each company bring their available emergency response equipment, SCBA/respirator and Level A-D suits, and any additional PPE****

All training is documented and certified per OSHA regulations. Each trainee receives a certificate of completion and wallet card.

2 Weekend Sessions 8:00am—6:00pm Sat.. and Sun.

5 Week Day Sessions 8:00am—5:00pm Mon—Fri.

Class min. 10—max. 15 3 week notice to schedule classes!

Call Cristen at 970-396-6887 or email training@djbsafety.org
to see about getting a class set up!
